

## Notification regarding HogoMax103-10/-15 5 L Container Material Change

Thank you for using DISCO products. The following is a detailed report on the material change for the item named in the title above.

### Notification:

This notification is regarding a material change for the 5 L container used for HogoMax103-10/-15. Thank you for your understanding and cooperation.

### Background:

In order to improve the quality of the 5 L container material and maintain a stable supply, the specification of the container material will be changed.

Based on DISCO's evaluation, it has been confirmed that there are no differences in quality or shipping results.

	Container Made of Material A (before change)	Container Made of Material B (after change)
Quality evaluation result	No difference	
Shipping evaluation result	No difference	

### Applicable products:

Model	Volume (L)	Dilution	Part no.
HogoMax103-10-5L	5	1.0	KS13-100521-0
HogoMax103-15-5L		1.5	KS13-150521-0

### Switchover timing:

**The change will apply starting with products manufactured from January 1, 2021.**

### Notes:

1. Although this is comparable to a content change on the acceptance specification sheet, the issuance of this notification will take the place of any re-exchange of the acceptance specification sheet.
2. No part no. change will accompany this change.

### Inquiries:

For inquiries regarding this matter, please contact a DISCO sales representative or service engineer.
